We are receiving rave reviews for our NEW Remote Online Closing services!

Melissa Warren
Remote Closer

How it works:
- Utilize our in-house ROC (Remote Online Closer) to handle the ENTIRE closing process at NO added cost/fee to you, from the comfort of your own home, office, vacation spot, or anywhere else.

- **Speed**:
- This process cuts down on waiting for documents via mail, as well as travel time.

- **Flexibility:**
- You can close from the comfort of your own home, and set a time that works for you.

- **Security**:
- We have multiple systems in place, including "tamper-sealed" digital documents, to prevent fraud.

Coming from a long line of Real Estate professionals, Melissa began her career in Real Estate straight out of high school, delving into different avenues by first becoming a Florida licensed Real Estate agent followed by a title examiner, a mortgage closer, a foreclosure Trustee Sale Officer and finally landing in Escrow.
She received her Escrow Officer license in California around 11 years ago and has been licensed in Texas for over three years. Working in the past for a National Escrow company, she has had the opportunity to successfully close Real Estate transactions in several states including Texas, Minnesota, Colorado, and Arizona.

"Contact Melissa, our ROC, aka. Remote Online Closer today to get started, or mention this service to your closer and she will set it up.
